We are one the leading manufacturers, exporters, importers and suppliers of a wide range of optimum quality Food Equipments. Owing to their energy efficient design and longer functional life, these food making machines are highly demanded.

About Us

We, Mumbai based **Yash Food Equipment**, established in the year **2012**, are one of the topmost manufacturers, exporters, importers and suppliers of wide range of optimum quality Food Equipments. The product range offered by us consists of Bakery Equipment, Kitchen Equipment and Sweet Making Machines. By using advanced tools, machinery and equipment, our engineers and technicians manufacture these food making machines in adherence to the international quality standards. Offered by us at affordable prices, these food making machines can be tailor made as per the requirements and specifications provided by the customers. It is owing to their energy efficient design, sturdy construction, seamless finish, high performance, minimum maintenance and enhanced functional life that these food making machines are highly demanded. For the ease of our valuable customers, we offer them easy modes of payment.

We have been able to cater to the needs of our valuable patrons in the most efficient manner, owing to our ability to meet the bulk orders within the stipulated time frame at the customers' end. We have set up a huge distribution network, for the purpose of delivering the offered machines within the assured time frame at the customers' end.

Established by our mentor, **Mr. Sunil Pandey**, we have been able to cater to a huge clientele across the world in such short period of time. Driven by an intense desire to attain maximum customers, our mentor...
